

INDUSTRIAL TOUR 2018

Industrial training is an important ingredient of pharmacy curriculum, being essential for student's professional advancement. It is universally regarded as a vital component of pharmacy education and is an indicator of the extent of industry institute interaction. LLOYD SCHOOL OF PHARMACY provides a platform to students by having a collaboration with reputed pharmaceutical companies which provides our students an opportunity to learn the technical and recent advancement in the field and skills involved in the manufacturing and analytical aspects of pharmaceutical products. Such visits allow the students to explore their knowledge in the various manufacturing and analytical aspects of pharmaceutical products.

DAY 1 (ARBRO PHARMACEUTICALS)

Final year students of Lloyd School of Pharmacy visited ARBRO PHARMACEUTICALS, Delhi, one of the leading Pharma Company of India with excellent research facilities. Students visited state-of-the-art facility for the manufacturing of pharmaceutical formulations and understood WHO GMP guidelines that for Good Manufacturing Practices (GMP). It was a wonderful experience for final year students to understand manufacturing and analytical aspects of pharmaceutical products.

DAY 2 (YAKULT DANONE)

Yakult Danone India (P) Ltd is a 50:50 JV between Yakult Honsha, Japan and Group Danone of France, both of which are global probiotic leaders. Final Year Students were allowed to visit the factory and each and every step in the process of manufacturing of the probiotic health drink, starting from the germinating of the *Lactobacillus casei* strain Shirota (LcS) bacteria to enlarging it to the desired production is well explained to students and keeping a close eye on the quality control.

Visit started with presentation by the company on the emergency exit plan of the area which is a part of the

organisation's OHSAS certification programme. Then a brief introduction about the company, its origin and its current position having global presence is briefed to the students. The concept of Shirota-ism was also explained to the students. All the queries resulting in the minds of the students were resolved well by the guide.
