

PHARMACIST DAY CELEBRATION

Lloyd School of Pharmacy celebrated the Pharmacist day on 25th Sep '17 to advocate and appreciate the role of Pharmacist in improving health conditions around the world. To celebrate the day various events like:- Health camp, Pharma Quiz, Poster and Model competition were organised in Lloyd campus. Students showed great enthusiasm to be a part of health check up team and successfully accomplished their goal. The health check up camp covered various parameters like:- blood pressure, blood glucose, BMI, height, weight, counselling on common disorder. The aim of organizing the health camp was to sensitize the students and make them more confident towards such activities so that they remain proactive when their family or friends ask them about health issues. It was an overwhelming feeling to witness students doing the preliminary checkups of more than 300 people.

In addition to the health camp, poster presentation and a pharmacy quiz competition was organized for the undergraduate students. In the quiz competition which started at 11:30am, 11 teams participated and 7 were screened on the basis of a written test. 7 teams participated in the final quiz which had 6 rounds. Team of Naveda Praveen (4th year) and Meenakshi Sharma 3rd year outperformed others and stood first. Jagriti gulyani (4th year) and Nikita (3rd year) were the runner up team.

The second session of the day witnessed the artistic effort by the students in the form of posters. B.pharm Ist to IVth year students were involved in this event and presented on various topic like:- scope of pharmacy, water is life, nutraceuticals, role of pharmacist encephalitis and layout of hospital. Team of Priyanka Dua, Nancy and Puneet (IInd year) stood first.

The event was successfully completed under the guidance of Dr. Vandana Arora, Director Lloyd School of pharmacy and to motivate the students she gave consolation prizes to every participant.
