Report on World Pharmacists' Day Celebration

World Pharmacists' day was celebrated at the Lloyd institute of management & technology (Pharm.) on 25th Sept '18 to advocate and appreciate the role of Pharmacist in improving health conditions around the world. To celebrate the day's various events like:- Health screening camp, Blood donation camp & Poster competition, organised in the Lloyd's campus. Students showed great enthusiasm to be a part of health check up team and successfully accomplished their goal. The health check up camp covered various parameters like:- Blood pressure, Blood glucose, BMI, height, weight, counselling on common disorder. The aim of organizing the health camp was to sensitize the students and make them more confident towards such activities so that they remain proactive when their family or friends ask them about health issues. It was an overwhelming feeling to witness students doing the preliminary checkups of more than 100 people. The blood donation drive was organised by the Rotary Club of Noida & the session started with a small speech from the club members about blood & people in need of blood. Hence, starting the donation drive for a much greater cause.

The last session of the day witnessed the artistic effort by the students in the form of posters. In addition to the health camp & blood donation, poster making competition was organized for the students. In the poster competition which started at 1:30 pm, 15 teams participated and the winners were screened on the basis of a strong verbal debate on the theme. All M.Pharm, B.pharm & D.Pharm students were involved in this event. Vivek & Danish (D.Pharm 1st year) stood first. Ajay (B.Pharm 2nd year) achieved the second position & lastly, Charu & Adarsh (B.Pharm 1st year) were the runner up team. The event was successfully completed under the guidance of Dr. Abdul Wadood Siddiqui, Principal, LIMT (Pharm.).
